PRESIDENT'S MESSAGE

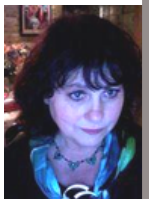

HOORAY, spring has arrived, and soon everything will be blooming!

After donning our winter attire and staying indoors much of the time, we are looking forward to venturing out and about. So with this in mind, we need to be adventurous but also be safe and aware of our surroundings. Our first program will address this topic. We are fortunate to have Robin Estrada speaking to us on safety and awareness in our community when going out. Robin has had a long career in law enforcement that spanned many decades. Learn more about the program in this newsletter under programs.

June the LX Club will have a meet & greet. Welcoming back familiar faces and saying hello to new members. Get ready for coffee, cake, and chit-chat, as we get to sit and enjoy the company of our members. This is the time when you can suggest programs and activities to incorporate into our club. Remember this is your club and we want your input. This program is open to all please feel free to bring a friend! Look for details in this newsletter under programs.

One of our members suggested a meet-up group for miniature golf and biking. If anyone is interested in signing up for either or both activities please contact Arlene at (414) 351-1689 or Jan at (414)228-1882. Both these activities take place in Mequon.
