WHAT IS THE LX CLUB

The question always asked is what is the LX Club and what does LX stand for?

LX is the roman numeral for 60, the LX Club was a club for seniors 60 and over.

Now with the new generation of baby boomers retiring, we recently dropped the age to 55 years old. The LX Club is a senior

community club that gives a beautiful opportunity for seniors to enjoy programs,

travel, fellowship, and just **have a great time.**

History

The Fox Point Bayside Senior Center, also known as the LX Club, started with a vision of having a place for seniors to gather, meet new friends, acquire new skills, access quality information, and most importantly have fun. During its 40-year history, the LX Club has brought joy, entertainment, and recreation to scores of men and women in the community, and will continue to serve the North Shore area.

Come visit and see all we have to offer!

Purpose

The LX Club is a non-profit senior club promoting cultural, social, charitable, and educational activities. Its primary purpose is to be available to seniors in the North Shore area of Milwaukee and to promote quality programs and activities in this community.

President's Message Greetings

Spring has arrived, it is time to open your windows, smell the fresh air, and enjoy this beautiful season. The LX Club has some wonderful educational, informative, and just fun programs. This is your club and we are always open to suggestions and programs you would like us to consider. Our Eleanor Roosevelt Program was a joint effort with the Women of Shalom. Jessica Michna as Mrs. Roosevelt put on a brilliant performance. After we were all treated to a meal fit for a King & Queen. The all-American Hot Dog with toppings was the same meal the Roosevelts served to the English royalty.

We celebrated St. Patrick's Day at the LX Club with popular Irish music, an Irish potato lunch, and bingo.

Whether you celebrate Easter, Passover, Ramadan, or Holi we wish you joy, peace, and blessings.

We will continue with our bingo & bakery, card & game days, and regular monthly programs. Some new and exciting clubs and classes are planned for the future, including an Italian language class and a monthly book club, (depending upon a number of participants and interest).

PLEASE REMEMBER TO PAY YOUR DUES!!!

JOIN A NEW DISCUSSION GROUP *LEARN ABOUT & DISCUSS CURRENT HOT TOPICS* **ARTIFICIAL INTELLIGENCE**

This month's topic of discussion ARTIFICIAL INTELLIGENCE---GOOD, BAD OR SCARY

Artificial intelligence, or AI, is technology that enables computers and machines to simulate human intelligence and problem-solving capabilities (IBM). AI enables computers to play chess, drive a car, problem solve, perform human tasks and so much more.

ARTIFICIAL INTELLIGENCE HAS CHANGED THE WORLD, but as it impacts more of our lives - is it good, bad or scary? The speed of technology today can be compared to a run-away train as it races towards the future without consideration of the consequences or ramifications.

SPOTLIGHT

WHITEFISH BAY WOMAN'S CLUB

Whitefish Bay' Woman's Club is a quiet organization and its benevolence unfortunately goes undetected. Its beginnings go back to 1917 when the women of Whitefish Bay started an organization to service their community.

They have been instrumental over the years in several village endeavors, including developing and building the local library, post office, and fire department. Their other gifts and services include annual blood drives, scholarships, health screenings, seed funds for Riveredge Nature Center, donations to the library, senior centers, beginning the Girl Scouts program in Whitefish Bay, the Whitefish Bay Historical Society, Veterans Memorial Park, and so many more worthy causes. It has also hosted political forums, sponsoring yearly Halloween parties for children and families, and a myriad of community events.

The club is active in philanthropy that extends beyond the Whitefish Bay community.

Not only is the club helpful and useful to the community, it also provides members with entertaining and enriching monthly programs, meetings, and activities.

The past years Covid had a devastating effect on many of our businesses and organizations including the Whitefish Bay Woman's Club, forcing the sale of their beloved facility. But the facility is brick and mortar, the heart and soul of the club is the women who are dedicated to preserving and maintaining the rich tradition of the Whitefish Bay Woman's Club.

Thank you for all your good work and commitment to our community. The LX Club is one of the recipients of a generous monetary gift from the Whitefish Bay Woman's Club. The donation allows the LX Club an opportunity to continue serving seniors with educational, informational, and entertaining programs and activities. The membership of the LX Club is grateful beyond words, for acknowledging the importance and value of our seniors.

The Whitefish Bay Woman's Club is now welcoming new members, for more membership information, contact Jane Heidemann at (414)964-4567.
