WHAT IS THE LX CLUB

The question always asked is what is the LX Club and what does LX stand for? LX is the roman numeral for 60, the LX Club was a club for seniors 60 and over.

Now with the new generation of baby boomers retiring, we recently dropped the age to 55 years old. The LX Club is a senior community club that gives a beautiful opportunity for seniors to enjoy programs, travel, fellowship, and just **have a great time.**

History

The Fox Point Bayside Senior Center, also known as the LX Club, started with a vision of having a place for seniors to gather, meet new friends, acquire new skills, access quality information, and most importantly have fun. During its 40-year history, the LX Club has brought joy, entertainment, and recreation to scores of men and women in the community, and will continue to serve the North Shore area.

Come visit and see all we have to offer!

Purpose

The LX Club is a non-profit senior club promoting cultural, social, charitable, and educational activities. Its primary purpose is to be available to seniors in the North Shore area of Milwaukee and to promote quality programs and activities in this community.

President's Message Greetings

Enjoy the good old summertime, with the LX Club. This summer we have many fun activities for our members. **Marcus movies are back** on the agenda starting this July. Also, we will continue with mini-golf, great programs, luncheons, and card and game days. But the most important thing is that we are getting together for fellowship.

Due to the extreme heat in the pavilion, bingo will be canceled until the cooler weather in the fall.

No Bingo this summer!

If we have enough interested members we will be offering Italian language classes. Remember this is your club, if there is any program or class you would like please, contact our activity coordinator Arlene Evans. Look for a full description of the programs we are planning on the following pages.

Many of our programs are free but donations of any amount are greatly appreciated and all donations are tax deductible.

PLEASE REMEMBER TO PAY YOUR DUES!!!

SPOTLIGHT

KATHERINE BRASH

Sadly the LX club mourns the death of a cherished long-time member, Katherine Brash. She passed away peacefully on June 2nd. But as we grieve her death we also celebrate a beautiful and amazing life of 101 years. Her family said it best in her obituary which appeared in the Milwaukee Journal as follows:

Katherine's life journey initially took her from Lake Garda, Italy, through Ellis Island, New York, to Northwestern Pennsylvania. She became a Registered Nurse in 1944 and joined the U.S. Army Nurse Corp. as a 1st Lieutenant in 1945 after completing basic training in Camp Lee, VA.

Her journey then took her to Hickam Air Base, Pearl Harbor, HI, before sending her to Osaka, Japan, where she met and married 2nd LT. William W. Brash started what would become a life as a career military family. Over the next 30 years, their military assignments took them and their growing family to Panama, Europe, Korea, and various state-side military bases and locations, including Milwaukee, Wisconsin, where she and Lt. Col. Brash ultimately retired. Upon her return to Milwaukee, however, she again began working as a geriatric nurse, until she finally retired at the age of 75. As her children stated "Mom was an amazing individual, managing family life with "military precision," and was always the cornerstone of our family."

Members of the LX Club send their heartfelt sympathy to the family, Katherine will be remembered in our thoughts and prayers.
