WHAT IS THE LX CLUB

The question always asked is what is the LX Club and what does LX stand for? LX is the roman numeral for 60, the LX Club was a club for seniors 60 and over.

Now with the new generation of baby boomers retiring, we recently dropped the age to 55 years old. The LX Club is a senior community club that gives a beautiful opportunity for seniors to enjoy programs, travel, fellowship, and just

have a great time.

History

The Fox Point Bayside Senior Center, also known as the LX Club, started with a vision of having a place for seniors to gather, meet new friends, acquire new skills, access quality information, and most importantly have fun. During its 40-year history, the LX Club has brought joy, entertainment, and recreation to scores of men and women in the community, and will continue to serve the North Shore area.

Come visit and see all we have to offer!

Purpose

The LX Club is a non-profit senior club promoting cultural, social, charitable, and educational activities. Its primary purpose is to be available to seniors in the North Shore area of Milwaukee and to promote quality programs and activities in this community.

Presidents Message

**HAPPY NEW YEAR
2025 A NEW YEAR BEGINS**

As we say farewell to 2024, we remember some highlights, Marcus Theater afternoon movies, Coffee House & Folk Music, Western Cowboy Picnic, Four Guyz in Dinner Jackets entertained with a Blast from the Past Doo Wop musical revue and a Festive Holiday Party.

Other programs included, Ancient Indian Mounds, Bee'sentation, historical presentation of Eleanor Roosevelt, Award winning psychiatrist Dr. Moffic, ARTIFICIAL INTELLIGENCE, Scams, & Frauds, Mini Golf, Cards & Games and so much more.

Judy Kaiser, our LX Historian wrote up a great review of our July Event. Our July picnic was a Western theme. The excitement of the cowboy singing group and the DJ /Karokee playing favorite country western music plus the decor added to the ambience. Many members got into the cowboy spirit wearing their jeans and western hats and attire. A chuck-wagon luncheon of barbecue beef, baked beans, corn bread and so much more was served. We all had fun and did not worry about the calories!

The LX Club is looking forward to presenting some new & exciting programs for our members. January we will be closed for the month but look forward to opening our doors in February for the 2025 year of great activities and events. Looking forward to our February presentation a visit with Molly Brown better known as the Unsinkable Molly Brown. March is a favorite St. Patricks Day Party. See more information on these programs under Upcoming Events.

We also offer many activities such as bingo, movies, card clubs, and Getting Healthy in 2025 Italian language classes. All special classes are subject to the number of members that enroll.

Meet our Activities coordinator

Arlene Newman Evans never ceases to amaze one with her vast knowledge and life experiences. After graduating Washington High School, and attending college, she took her first trip to Europe and fell in love with travel. Living and working a short time in Italy, was a highlight in her life. After coming back home Arlene briefly went into the medical field. She worked in the medical technology field and also studied a cutting edge technology of MRI Scans at NorthWestern Hospital .After leaving the medical field she became an entrepreneur in business, starting by selling designer watches. She eventually became the owner of a One Hour Sign Shop where she would make custom signs for the business community.

But Travel was always in her heart and she would be willing to pack her bags and get on a plane in a days notice to some exotic destination. Together with her husband Marv they traveled throughout the world. Her very favorite destinations were Australia & New Zealand, Fiji and Africa. In fact she became a South Pacific Specialist working with Qantas Airlines. When making travel arrangements for customers, they had a dilemma where to board their beloved pets. Arlene many times came to the rescue helping to make arrangements. This led her to another opportunity to open a pet sitting business. This new business was a natural for her with her love of animals. It was truly became a labor of love. With all her many business ventures and experiences she is a wonderful asset to our Club. As activity director she is responsible for many of our interesting programs that cover a large range of topics.

Thank you Arlene and looking forward to your 2025 activities!
