President’s Message:

Our Club will undergo some scheduling changes and additional activities during June and July. Please read the attached calendar carefully.

Among the changes and additions that should be highlighted are the participation by the LX Club in certain civic events. Every Saturday morning from June 17 through September we will have a table at the Fox Point Farmer’s Market. We hope that many of you will take a turn at our table greeting people and promoting the Club. We will also participate in the Fox Point Open House at the Fox Point Village Hall on June 10 from 9:00 to 12:00 and the Bayside Picnic September 9 from 11:00 to late afternoon at Ellsworth park

We have also changed the date and location of our summer event. It will be on July 20 at 12:00 noon rather than July 12 and will be at the Whitefish Bay Woman’s Club. Lunch will be catered by Mark of Excellence with entertainment provided by David Drake singing his American songbook. A fee of \$12.50 will be charged and RESERVATIONS BY JULY 13 ARE A MUST. To make your reservation please call 414-204-8220. Please leave your name , phone number and number of people in your party. We check this line daily and your reservation will be honored.

Shortly our new website will up and running. The web address is www.lxclub.org. Please note the last part of this address is .org, not .com.. We own this website and over time we will be adding many features including updates as are warranted. AND we will still be mailing a newsletter to all members every other month.

We will also be resuming the movies at the Marcus North Shore Cinema. We will be showing movies on the first Wednesday of each month. We will be at a table in the lobby from approximately 5:30 until the movie begins at approximately 6:30. As we are limited in space we must ask that you make your reservations no later than

three days prior to the movie. Please call 414-204-8220 and leave your name, your guest's name, if any, and your phone number. These will be honored on a first come, first served basis with space being the main reason that a request would be denied. Members may bring one guest and the fee is \$2.50 per person which will entitle the ticket holder to movie attendance, popcorn, and a reception after the movie. Although we will give you a ticket seating location will be on a first come first served basis.

The movie to be shown on June 7 will be Snatched, starring Goldie Hawn and Amy Shumer. If for any reason Marcus is unable to show this movie or any movie scheduled as we go forward we will substitute another movie.

Finally, on June 15 at 1:00 we will have the opportunity to learn about Eating Healthy.

Calling all Baby Boomers!

If you were born between 1945 and 1965 you are a baby boomer. You are the generation of Rock N' Roll, first TVs, drive-in movies, fast food, hippies, yuppies, hotrods, hula-hoops, bubble gum and braces.

Nine months after World War II ended “the cry of the first baby was heard across the land”, and that signaled a new generation of what is referred to as the “Baby Boom”. By the end of this 20 year period there were 76 million baby boomers in the U.S. This made up over 40% of the population. The baby boom and suburban boom went hand in hand. This is your generation. If you live in Fox Point, Bayside, or surrounding North Shore suburbs, meet and greet your fellow boomers the first Wednesday of every month at Marcus Northshore Cinema.

Event: First Run Movie

Place: Marcus Northshore Cinema - Mequon

Date: First Wednesday of each month

DONATIONS APPRECIATED

The LX Club has presented quality and entertaining programs. We have been doing this at little or no cost to the members. Lately our financial situation has changed, and although we would like to continue to have programs at little or no cost, it is becoming increasingly difficult. Therefore we will have a donation basket at the entrance to the programs and any and all donations would be appreciated.

If you require a receipt for your tax deductible donation, please contact one of our board members.
