IN MEMORY OF PHYLLIS TRAGASH

It is with sadness we regret to inform the LX Club members of the passing of a cherished member, Phyllis Tragash, on March 1ST. Phyllis was a devoted member of the LX Club, always willing to support our special events, and promote the LX Club in the community. She spent countless hours proofing, editing, and writing articles for our newsletters. Phyllis was a warm, kind, and gentle woman. Her love and devotion to her family and friends was always apparent. She will be greatly missed by her husband, Kenneth, her son Brian (Orit), grandson Elliot and brother Neil as well as her many relatives and friends. Our thoughts and prayers are with her family.

PRESIDENT'S MESSAGE

Not a minute too soon, Spring has arrived in Wisconsin! And with the arrival comes a primarily new-and-improved schedule at Lydell, for the summer. First, our normal, Monday, Wednesday and Friday schedule of 1:00 to 3:30 will be maintained throughout the summer with the minor exceptions of one or two Fridays, when the closing time will be 3:00. Second, Lydell will not be available August 6 for elections and August 8, 10, and 12 for needed asbestos abatement and hallway tile replacement.

For all events, please feel free to invite non-members. We are finding that these guests seem to join our membership ranks, which is quite positive! We will do everything to make their experience a fun one.

NO BLARNEY, T'WAS A FINE DAY FOR THE IRISH!

David O'Silberman, (everyone is Irish on St. Paddy's Day) donning his kelly green Derby, presented an Irish afternoon in celebration of St. Patrick's Day. Wearing of the green could be seen throughout the room as LX members came to enjoy a fanciful feast and listen to Irish tunes. Father and son duo, The Evan and Tom Leahy Band, performed traditional Irish songs. From drinking tunes, to happy songs like "Irish Eyes Are Smiling", to the tearful song "Danny Boy," the performance was a brilliant crowd pleaser. The luck of the Irish was with us, our *Pot of Gold* came through from the generous donations of community businesses and our members. We would like to thank Kelly, at the Grafton Costco, for a donation of gift cards; Emily, at Miller Bakery; Bruegers Bagels; Deerfield Bakery; Julie Millman, and Mary Gilardi. We also would like to thank all the hard working LX Club members that volunteered their time setting up, cleaning up, decorating, and greeting. *YOU* made this event successful!

*May God grant you always
A sunbeam to warm you
A Moonbeam to charm you
A sheltering angel, so nothing can harm you*

See you next year for another grand St. Patrick's Day! Remember:

Why should never iron a four leaf clover?
You don't want to press your luck!

MOVIES AT LYDELL | 1:00PM

THERE IS NO MOVIE SHOWING ON MAY 9TH, 2018

MAY 23RD, 2018 | THE SHAPE OF WATER 119 mins | Elsa is a mute, isolated woman who works as a cleaning lady in a hidden high security government laboratory in 1962 Baltimore. Her life changes forever when she discovers the labs classified secret - a mysterious, scaled creature from South America that lives in a water tank. As Elisa develops a unique bond with her new friend, she soon learns that its fate and very survival lies in the hands of a hostile government agent and a marine biologist.

2018 Academy Award winner for Best Picture, Best Director, Best Original Music Score and Best Production Design

JUNE 13TH, 2018 | I, TONYA 120 mins | Based on unbelievably true events, *I, Tonya* is the darkly comedic tale of American figure skater Tonya Harding, and one of the most sensational scandals in sports history. Though Harding was the first American to complete a triple axel in competition, her legacy was forever defined by her association with an infamous and poorly executed attack on fellow Olympic competitor Nancy Kerrigan. *I, Tonya* is an absurd, irreverent and piercing portrayal of Harding's life and career in all of its unchecked and checkered glory.

JUNE 27TH, 2018 | LADY BIRD 95 mins | Christine "Lady Bird" McPherson is a teenager fighting against, but is exactly like, her widely-desperate, opinionated, and strong-willed mother - a nurse working tirelessly to keep her family afloat after Lady Bird's father loses his job. Set in 2002 Sacramento, California amidst a rapidly shifting American economic landscape. *Lady Bird* is an affecting look at the relationships that shape us, the beliefs that define us, and the unmatched beauty of a place.

Nominated for Best Picture of the Year
