PRESIDENT'S MESSAGE

Now that summer is over, we will resume our scheduled activities at the normal locations. Please check the calendar for the details.

I have been so pleased with our incredible Board of Directors! In addition to their insight, wisdom, integrity and independence, they never fail to provide help when asked and often even when not asked. Thank you all, for all you do!

We recently published our Club Directory. For those of you who have not received your copy, please call the Club and leave a message, and what event you will be at, so that we can provide a directory to you. Please understand that this directory is for your use only on Club matters, and not to be reproduced or provided to non-members.

A review of our income and expenses for the first half of 2018 disclosed that we spent more than anticipated. That said, we are taking measures to handle and avoid this in the future. Two of the the measures that will be taken include a reduction in the number of entertainers we bring in for our monthly meetings, and an increase in what we charge non members for their attendance at the movies at Marcus North Shore Cinema. We are also looking into soliciting donations and sponsors.

TRY THIS DELICIOUS RECIPE!

KOOL AID PIE

- 8 oz Cream Cheese
- 12 oz Cool Whip
- 8 oz Sour Cream
- 1 Can Condensed Milk
- 1 Package Kool Aid (any flavor)
- Graham Cracker Pie Crust

Whip together all ingredients and pour into graham cracker crust. Chill for at least 1 hour and enjoy!

REMEMBERING LOUISE SALSCHIEDER

Long term LX Club member Louise Salscheider passed away on June 19, 2018. Louise leaves behind a large loving family and many, many friends. Louise was an active participant in many organizations, and an avid game player at our club. She always had a smile on her face and a good word for others. She is deeply missed.

MOVIES AT LYDELL | 1:00PM

SEPTEMBER 12TH, 2018 | **THE GREATEST SHOWMAN** 106 mins | "The Greatest Showman" is a good ol' fashioned cornball musical., and tells the story of how P.T. Barnum created the "Greatest Show on Earth." Played with irresistible effervescence by Hugh Jackman, it proves to be a scintillatingly flashy immersion in up-to-the minute razzmatazz.

SEPTEMBER 26TH, 2018 | **CHAPPAQUIDDICK** 106 mins | On July 18, 1969, Senator Ted Kennedy drives his car off of a bridge on Massachusetts Chappaquiddick Island. The accident resulted in the death of passenger Mary Jo Kopechne, a 28 year old campaign strategist who worked for Kennedy. The ongoing investigation into the mysterious and scandalous events forever alters his political legacy – and ultimately changes the course of presidential history.

OCTOBER 10TH, 2018 | **A QUIET PLACE** 91 mins | It is best to go into this movie knowing as little as possible about the plot. John Kraunski (The Office) directed and stars with his real wife, Emily Blunt as a married couple with kids. They have to live a near quiet existence making ANY noise can be a matter of life and death. "A Quiet Place" is a taught drama/thriller that uses virtual silence to slowly build tension. With the artful and clever concept of little to no dialogue the film keeps the audience engaged and too scared to make a sound themselves (you won't even want to munch on your popcorn)! No bad language or sexual situations. If they hear you they hunt you!

OCTOBER 24TH, 2018 | **THE COMMUTER** 106 mins | Insurance salesman Michael, played by Liam Neeson is on his daily commute home which quickly becomes anything but routine. After being contacted by a mysterious stranger, Michael is forced to uncover the identity of a hidden passenger on the train before the last stop. As he works against the clock to solve the puzzle, he realizes a deadly plan is unfolding, and he is unwittingly caught up in a criminal conspiracy that carries life and death stakes for everyone on the train.
