PRESIDENT'S MESSAGE

I am honored to be the President of the Fox Point/ Bayside LX Club and looking forward to a great year of fun-filled activities. The past 18 months have been challenging to say the least. The pandemic has brought a halt to our club activities. Now with the vaccine and taking precautions we are up and running and excited to bring our members great programs. First-run movies, bingo, card clubs, guest speakers, entertainers, informational programs, and fellowship are just a few things we are looking forward to providing for our members.

Our kick-off to opening up will be two great programs in December. The two December programs will be a movie at the Marcus theater and a special guest speaker giving us a first-hand account of military special forces view of Afghanistan. Details of these programs along with other events are featured in this newsletter.

Our first priority is the safety and welfare of our members therefore we will be requiring all participants to be vaccinated and to wear their masks at certain events.

Help make this year successful by participating, volunteering, and being part of the LX Club. Your ideas and suggestions are always encouraged and welcome.

Sincerely,
President Janice Tishberg

HAPPY HOLIDAYS

AFGHANISTAN

On December 29th the LX Club is honored to have a very distinguished speaker from North Carolina, Kyle Grohmann. Dr. Grohmann is a clinical and operational psychologist who has supported special operations forces since 2010. He deployed to Afghanistan in 2014 in support of Operation Enduring Freedom, which is what he will be discussing.

This program is very informative and enlightening. A front page featured article in the Milwaukee Journal dated November 21st 2021 presents a disturbing picture of our soldiers returning from that war torn country.

'WE'RE LOSING SONS AND DAUGHTERS' A Wisconsin National Guard unit deployed to Afghanistan, all returned home safely. Within months, four Guardsmen took their own lives.

Dr. Grohmann will be discussing issues with the war and the returning vets..

Date: Wednesday , December 29th
Time: 11:30 to 12:30

Place: Congregation Shalom 7630 N. Santa Monica Blvd. Fox Point, WI

WELCOME ARLENE EVANS

NEW ACTIVITIES COORDINATOR

Meet our new activities coordinator Arlene Evans. A fifty-plus-year resident of Bayside, she is excited to work with the Fox Point/ Bayside Villages in presenting activities and programs to the Seniors/ Boomers in our community. Arlene is an entrepreneur having a vast array of career experiences. Her background includes working in the medical field, as well as with non-profit organizations (the girl scouts), marketing and sales for her family business, owning and operating a sign shop business. With her love of adventure and travel, she became an Aussie specialist promoting and selling trips to Australia, New Zealand, and many beautiful and exotic places around the world. While promoting travel, she saw a need for pet sitting and incorporated pet sitting into her travel business. Seminars and meet-up groups are a small part of Arlene's ability to connect to the public for common interests. Forever creative and innovative Arlene will bring fresh ideas, great programs and encourage fellowship. So at this time we warmly welcome Arlene as our Activity Coordinator. With her commitment and love of our community, Arlene will work to ensure a successful and fun-filled year for our members.
